**Ceremonial allocation**

50 years of CIEC activities

Dj. B. JELENIĆ, President of CIEC . . . . .	23
E. WELTE, Vice-President of CIEC . . . . .	27

**Introductory lecture**

Agriculture and use of fertilizers in Hungary

G. SOÓS, President of the Hungarian Society of Agricultural Sciences . . . . .	29
--	----

**PLENARY SESSIONS****SESSION 1***Main lecture*

Land fertility and environmental aspects in Hungary

I. LÁNG . . . . .	35
-------------------	----

*Contributions*

Biological and soil fertility factors effecting the outstanding development in Hungarian crop production during the last 20 years

E. BOCZ . . . . .	41
-------------------	----

Effect of mineral fertilization on soil fertility

E. DEBRECZENI . . . . .	45
-------------------------	----

A map of soil clay minerals and its use in expert consulting on fertilization

P. STEFANOVITS, H. BEYER, P. BODOR and K. DOMBÓVÁRI . . . . .	49
---	----

Recent tendencies in fertilizer consumption in Europe

K. SZASZ . . . . .	53
--------------------	----

Some problems in agrochemistry and environmental protection as consequence of intensive land use in Hungary

A. PUSZTAI . . . . .	55
----------------------	----

Efficiency studies of mineral fertilizers and manures on sandy soils between the Danube and Tisza in a long-term trial of 24 years

F. BAUER . . . . .	61
--------------------	----

Recent fertilizer trends in Hungary

A. SZÁNTÓ . . . . .	65
---------------------	----

**SESSION 2***Main lecture*

Soil fertility and the food requirements of world population

I. SZABOLCS . . . . .	69
-----------------------	----
