

FERTILIZER-REVIEW

dec.'78

VOL.1

CONTENTS

Symposium 'Liquid Fertilizers – a Solution for the Future?'

Scientific papers and reports

Introduction	... p 3
List of participants	... p 5
State of suspension fertilizer development paying particular attention to special formulations	
W. KOHL, Philips-Duphar, Duesseldorf	... p 9
Problems of the use of liquid fertilizers for foliar application in forests	
W. KILIAN, Forestry Research Institute, Vienna	... p17
On improving the effectiveness of phosphate fertilization with particular reference to foliar application	
E. WELTE, University of Goettingen	... p31
Foliar nutrients in the system of nutrition of agricultural plants for high yield and improved quality of the products	
Dj. JELENIĆ, University of Belgrade, M. GLINTIĆ, III 'Zorka', Šabač	... p49
Results of foliage application of special suspension-type fertilizers	
H. PLATZEN, Philips-Duphar, Duesseldorf	... p55
Simulator - Development of basic research equipment for hydroponic cultures in Gross-Enzersdorf (Austria)	
G. STORCHSCHINABEL, University of Agriculture, Vienna	... p65
Study on pilot demonstration plant for liquid fertilizers	
M.C. GEERLING, R.P. COOK and C. KELETI, UNIDO, Vienna	... p73
