**II° Congresso Mondiale dei Concimi Chimici**

**II. Мировой Конгресс Химических Удобрений**

Venue of the Congress:

Palace of the National Research Council  
(Consiglio Nazionale delle Ricerche)  
7, Piazzale delle Scienze,  
Città Universitaria

The official welcoming was inaugurated by a greetings telegram of the President of the Italian Republic, his Excellency Luigi EINAUDI.

Worthwhile to mention the great importance of this first CIEC Congress after the War for Italy itself - underlined by the fact, that the ceremonial inauguration was celebrated on the " C A P I T O L " and opened by the President of the National Research Council, Prof. COLONETTI and the President of the National Organizing Committee of CIEC, Prof. Luigi MARIMPIETRI.

The actual Congress Program was realized in the Palace of the National Research Council. It comprised about 47 papers (key - lectures and additional contributions) presented by invited first class scientists and participants coming from 17 countries.
